ROJAN ROY

UI/UX DESIGNER | GRAPHIC DESIGNER

Visual design • User-centred interfaces • Web fundamentals

PROFILE

Graphic designer transitioning into UI/UX design, bringing experience in branding, digital creatives, and visual communication. Currently developing skills in user research, wireframing, information architecture, and interface design through coursework and project work. Also learning HTML, CSS, and JavaScript to better understand how designs translate into responsive websites.

EXPERIENCE

Senior Graphic Designer

Junaix | Sep 2024 – 2025

- Created social media creatives, promotional graphics, and visual communication assets for business needs.
- Maintained consistent layout, typography, and brand presentation across design materials.

Graphic Designer

Course Connect | Aug 2023 – Sep 2024

- Designed digital marketing and social media materials to support brand and campaign communication.
- Applied visual hierarchy, composition, and brand consistency across creative outputs.

SELECTED UI/UX PROJECTS

NEXORA — All-in-One Planner App

Group UI/UX concept

- Contributed to a case study covering user research, personas, empathy mapping, user journeys, card sorting, information architecture, and user flows.
- Explored an organised planning experience for tasks and multiple areas of daily life.

Nanora — Childcare Platform

UI/UX concept in progress

- Developing a digital experience concept for parents, guardians, and caregivers, including mobile screens, account access, brand direction, and website structure.
- Focuses on clear navigation, accessibility, and a reassuring, trustworthy experience.
